## PROFESSIONAL EXPERIENCE

- Nov 2020 – Present  
Milan, Italy
- Frontend Web Developer**, Camera D'Ascolto
- Frontend Developer (HTML, LESS, JS) working on a pre-existent website, decreasing loading speed by 120% and drastically improving responsiveness and PageSpeed Insights score.
  - Implementation of new features and services based on a provided layout, leading to an increase in sales of 125% thanks to the implementation of an online booking system.
  - Cooperation with 3 web marketing consultants to further increase sales and improve the website.
- Dec 2018 – Jan 2019  
Cinisello Balsamo, Italy
- IT Support (Intern)**, Service Remarketing SRL
- Integrated into the company's core software debugging team with 2 senior developers as tutors.
  - Collaboration between multiple teams of interns resulting in a 10% monthly increase in sales.
  - Conducted a seminar to describe daily activities to a group of 20 new interns.
- Jan 2018 – Jan 2019  
Milan, Italy
- Frontend Web Developer**, Cimenà - Il mio primo film postumo
- Frontend Development (HTML, SASS, JQuery) in close collaboration with a team of 4 senior graphic designers and photographers.
  - Optimized the website to be as fast and mobile-friendly as possible, scoring 98/100 on PageSpeed Insights in both mobile and desktop.
  - Implementation of new features that increased the overall feedback by 20%.
- Apr 2017 – Jul 2018  
Senigallia, Italy
- Committee Member**, Firewall Gaming A.S.D.
- Full Stack Development (HTML, SASS, JS, Laravel) in a team of 5 designers and developers.
  - Optimized the code and speeded up the loading of the website by 3+ seconds on average.
  - Managed a team of 20+ volunteers leading to a 200% increase in audience in 4 months.
